REPORT OF TEMPERANCE COM. MITTEE OF Y. M. C. A.

[The following report, presented and adopted The following report, presented and adopted at the last regular meeting of the Y. M. C. A., Nov. 16th, was ordered printed, and the memorial subjoined to be presented to the King morial subjoined to be presented to the King with the following report, presented and adopted acknowledged evils, arrising from the sale of alcoholic beverages, that you withhold your sanction from any additional licences for the sale.

A. PRATT, President, W. J. Bowen, Secretary; and Privy Council.]

The special subject referred to us for consid ration, and report at this time is the question

from this department to decide whether the sugar to which you refer, imported at New York, shall be treated as covered by the provisions of the treaty, and a decision will be made by the Department after the facts in regard to the matter have been ascertained."

which, it is needless to say, was all that could from this department to decide whether the be desired. The affair passed off pleasantly in recommend as one means of showing the interior of glass tube it turns into a Prussian blue. Treasing majority of temperance advocates, the officers of the Afazka reciprocated by giving a party on board the vessel, which was appropriately decorated for the occasion, and to which it is needless to say, was all that could of powder, touched off in a flash. We would recommend as one means of showing the interior of glass tube it turns into a Prussian blue. Treasing majority of temperance advocates, and of helping to form public opinion, that the members of this Association wear the blue rither with the interior of glass tube it turns into a Prussian blue. The glass tube is turns into a prussian blue. The glass tube is turns into a prussian blue. The glass tube is turns into a prussian blue. The summer of the water compresses the form public opinion, that the depth of the sulphate of iron, and wherever comes into contact with the interior of glass tube is turns into a Prussian blue. The glass tube is turns into a Prussian blue. The summer of the water compresses the form public opinion, that it descents the matter have been ascertained."

Y. M. C. A. ought to do in this department to decide whether the desired. The affair passed off pleasantly in recommend as one means of showing the interior of glass tube it turns into a Prussian blue. The summer of the water compresses the form public opinion, that it descents the form public opinion, that it descents the summer of the water to present of the summer of the water to a contact with the interior of glass tube it turns into a Prussian blue. The propriate of the water to a

The mare Maggie Magee sold yesterday for of Christian work, is similar to that properly expected of the Church of Christ. The sphere of the Church, is more comprehensive than that of any Temperance Society. And our main object, helping young men to a vigorous and manly social Christian life, requires of us that the reformation of the intemperate should be regarded as one of the incidental and subsidiary object of our Association. Vet in the An entertainment will be given by the Library and Reading Room Association at their half this V. M. C. A. has engaged, has been "the Saturday Evening Gospel Temperance Meet out." Here have been contained to the Country of the Coun The steamship Size: sailed for the Coast on Ing." Here have been over sisty cases of re-The steamship Smc: sailed for the Coast on the evening of the 22d with a good passenger list and large cargo.

The have been over sisty cases of reformation during the fourteen months in which this meeting has been held, and only four of those who have signed the special pledge and roll, have gone back again to liquor drinking.

Wherefore do I myne all American citizens sojourning in these Islands to make due observance of Thursday, the 30th instant, as a this meeting has been held, and only four of those who have signed the special pledge and roll, have gone back again to liquor drinking. A fair in aid of St. Louis College will be send to the Music Hall next Monday, the 27th know that their animals do not get frightened at the engine and cars on Beretania street.

All the members of this Association should eity of Honolulu, by the Rev. J. A. Cruzan, feel a special interest in the success of this at 11 o'clock of that day, and the doors will be open to all. ROLLIN M. DAGGETT, meeting. We may not all be able to take an "Borrowing Trouble" will be Mr. Cruzan's active part ourselves in that meeting, but we theme Sunday morning, and "It makes no can show some appreciative sympathy for the difference what a man believes if he only lives brother, who has been the head and front, the backbone and the right hand of that meeting, We ought also to replenish "the Relief Fund, which under Mr. Aldridge's prudent manage

> Your Committee are of the opinion that is not desirable for this Association to assume any responsibility as an organization in efforts that may properly be made to suppress intemperance by enforcing the laws. The new liquor law has proved itself a curse let loose upon the people of Honolulu. Your Commitee are of the opinion that prohibition is the short and simple cure, which government must ultimately adopt, to stop the ravages of intemperance, as total abstinence is the short and simple way of safety for the individual, We never can be free from the burdens entailed by intemperance until there shall have been enacted a clear and clean Prohibitory Law, yet if effort is wisely made to enforce the Civil Damage Act, for instance, the experiseemed doomed for the reef, but fortunately ment is worth trying, and worthy of the support of members of this Association.

The new liquor law is so false in principal and so faulty in construction, that those or whom rests the responsibility for this piece of Kilanca Hou last week for Honolulu, intend- legislation, and whose boast it was that they would make liquor free, may well besitate to extend its baneful influence to other districts. ... The As an Association we may properly attempt t sad news reached Wailuku on the 18th inst, of influence legislation by a petition to the Privy the death of Ralph W. Taylor, son of Mr. B. Council to refuse licenses. The petitions, pre-pared and presented by this Association two years ago, were instrumental in securing the Francisco several months ago, and since that veto of the law passed at that session. Your time, until within a few weeks of his death, he Committee submit herewith the draft of a mewas employed in the Risdon Iron Works. morial which they recommend should be Few young men were as successful in making adopted and forwarded immediately. The room, rinds as he; indeed, he was adored by all Psalmist pertinently inquires of Jehovah, "shall who knew him for his manly and gentlemanly the throne of iniquity have fellowship with traits, and pleasant disposition. This is a terrible blow to the family, and especially sad,
believe we are in fellowship with God, followlike traits, and pleasant disposition. This is a terrible blow to the family, and especially sad,
believe we are in fellowship with God, followlike traits, and pleasant disposition. This is a terrible blow to the family, and especially sad,
believe we are in fellowship with God, followlike traits, and pleasant disposition. This is a terrible blow to the family, and especially sad, from the fact that the family were to start for ing out the line of His purposes in every legitfrom the fact that the family were to start for San Francisco the coming week and join the son and brother. They have the sympathy of for evil.

C. M. HYDE, A. F. Judd, C. J. Lvons, A. E. Aldridge,

HONOLULU, November 16, 1882.

The following is a copy of the memorial preented to the King and Privy Council: "We have been instructed by the Young

"Ever since the new liquor law went into operation it has been increasingly manifest that permanent, are now dry nearly the whole year, its effects are harmful. Wages have been or run very low a large part of the time. All spent for drink instead of the necessaries of the land in the region of those hills, as far life. Families have been left destitute of food, down as their makai bases, should be re- and wives have wailed in bitter grief before claimed and made tabu loa to cattle of all liquor saloons where their husbands were wast kinds... Another specimen of court ruling has ing in drunken riot the money that was needed ediately to the deputy cause those on whose labor they depended sheriff and produced their witnesses in court; were unfitted by intoxication for the work they was heard to say repeatedly to the Chinaman, to repress the secret illegal sales by Chinese If you lose your case you will be fined \$500," and others. The vilest compounds are sold, increase, and poverty is clutching in its grip rain" the judge's decisions are past finding out. the fast-fading native race, succumbing also Pineapples are being planted by the thou more quickly even than before to the attacks and in the district of Kona, Hawaii ... A of disease on bodies enfeebled by drink. Young A ENTERTAINMENT number of cases of erysipelas have broken out men who ought to be fitting themselves for among the natives... The comet, on the early places of responsibility and usefulness, are norning of the 19th inst., was seen as brightly constantly being tempted to waste their time and energies, and forfeit their opportunity for acquiring skill in their occupation, or accumulating property for future profitable business ventures, oy indulgence in the liquor saloon.

We do therefore respectfully petition your Honorable Body, in view of these evident and acknowledged evils, arrising from the sale of alcoholic beverages, that you withhold your

LATEST FOREIGN NEWS. eration, and report at this time is the question, what lines of work can we take up now, or follow up, in promoting the cause of Temperance?

This question is one of vital and pressing importance. Many of our young men in our highest social circle it is said, have already formed the habit of tippting. There have been several instances reported of intoxication great loss. Among the killed were two brothers greatless. the stores of Dillingham & Co., and E. O. Hall & Son, on Fort street, may be sent extensive stocks of silver and plated ware, which make a heautiful display. Many handsome articles, suitable for Christmasp presents, which make a heautiful display. E. P. ADAMS. Auctioneer.

HOUSE AND LOT AT AUCTION

By direction of E. O. Hall, Eug., I will sell at public

On SATURDAY, November of Affile,

At 12 o'clock, more, at my salestroom, in Hosolain, the HOUSE AND LOT recently occupied by the Ray. A O. Forbes, at Kawaishao, Hosolain, more particularly described in Royal Patent No. 1936, and containing an area of 25-100 of an acre. The bouse is two stories, of stone, with slate roof, and contains TEN ROOMS,

with adjoining one-story building formerly by Messrs. Castle & Cooke as a counting or rage house, stables, etc. Water laid on.

Deed at the expense of purchaser. For further particulars inquire of E. O. HALL, or E. P. ADAMS, Aucrioneer,

A COMFORTABLE HOME ! The undersigned has recently fitted up

n elegant style, the large roomy Cottage, formerly be-longing to the Lemon estate, on Nutsamu street, beyond the Commercial Hotel premises, for the purpose of conducting A superior Lodging House The name of this pleasant retreat is the "WHITE HOUSE." It cannot be surpassed in the kingdom for

THE GROUNDS ARE SPACIOUS and ornamented with shade trees. Persons of respectability may always be sure of a cheer-ful home there. A sitting-room is set apart for the con-venience of guests. A FEW MORE ROOMS ARE VACANT. Terms always applicable.

MRS. J. T. WHITE, Proprie

Let Many of our readers will remember Mrs. White as proprietor of the lodging house on Fort street, adjoining the Paintheon Stables, which was such a comfortable home under her management.
